To
Staff Officer(MM)
Jagannath Area, MCL

Sub : Debaring of L1 Bidders for one year w.r.t. e-Procurement
Ref No : Your letter No. CGM(JA)/APC/eTender/Shovel Spares/09/297/10/184
Dt 28.07.2010 (enclosed)

Dear Sir,

With reference to your above letter this is to inform you that debaring/banning of any firm from participating in future tenders, as per the terms of NIT, is to be properly communicated by the Tender Inviting Authority to the concerned firm with approval of competent authority. The start date and end date of such banning/debaring is to be clearly indicated in the communication to the firm. The copy of this letter should be communicated to all Area Staff Officers and HOD at MCL Hq. A copy of this letter may also be marked to this office so that the account of the Bidder may be blocked on the e-Procurement portal. The list of debarred bidders should be maintained with each Tender Publishing authority. If any debarred bidder submits any bid the same should be rejected in Process-I itself during the Bid Opening by the Tender Committee.

In view of above the letter under reference may kindly be reviewed and necessary action may kindly be taken accordingly.

Thanking you.

Yours faithfully,

24.8.2010.
(S.K. Bhanja)
