नोटिस

Sub: Dispensation to Power Customers for lifting of un-booked quantity of FY 20-21

It has been noticed that many Power Sector Consumers have failed to book their total Monthly Scheduled Quantity (MSQ) during FY 20-21 and now with the gradual pick up in demand, they may require additional coal to meet their PPA obligations with DISCOMs.

It is hereby informed that the Power Sector Consumers having FSA with MCL may apply for order booking of such un-booked quantity during the remaining period of FY 20-21 along with an undertaking stating that the power generated against the coal secured through this facility shall only be used to supply energy to DISCOMs under long term PPA.

However, MCL management reserves the right to accept or deny such request based on availability and demand of coal from different MCL sources.

This is issued with the competent approval.

अशोक गुप्ता
