No. MCL/SBP/GM(M&S)/OPRN/2022-23/ 199

दिनांक: 26-04-2023

NOTICE

Sub: Consent for loading of G10 grade of coal from BOCM3 sidings for Power (IPPs) and Non-Power consumers for whom source of supply mentioned in FSA as BOCM3 siding/ BOCM Grp of Sidings

This is for the information of all the consumers (IPPs and Non-Power) having linkages with MCL and lifting coal by Rail mode that the grade of coal being loaded from BOCM-3 (BOCB) siding has been declared as G-10 grade (copy enclosed). The consumers are requested to remit the differential payment towards coal value along with enhanced FC BG/ performance security, as applicable, at revised grade/price for lifting against the allotted rakes.

For SHAKTI-BVIII(A), the change in grade categorization is binding on both the purchaser and seller and the financial coverage towards coal value along with performance security may be enhanced to continue lifting coal from BOCM-3 sidings against the pending allotment as well as rakes which shall be booked under tranche-XI/XII.

For Linkage auction NRS consumers, efforts will be taken for shifting of the already allotted rakes to other BOCM Grp sidings subject to feasibility with Railways. However, consumers can opt to continue their allotted rakes in BOCM-III siding on payment of differential coal value along with submission of enhanced performance security for G-10 grade of coal. Further booking shall be accepted on BOCM 1/2 and BOCM 6/7 sidings against the contracts where the source is BOCM Grp of sidings.

For LOA route IPPs, the difference in the advance payment may be remitted against the already allotted rakes if the booking is being done on deposition of advance coal value. In case of rakes booked under LC mode of payment, the LC value along with the security deposit of 7 days' coal value may be adequately enhanced for G-10 grade of coal.

For CPSE Non-Power customers having FSA under NCDP regime, the differential coal value ~~along~~ may be remitted to continue lifting of coal against the allotted rakes.

It is requested to submit consent along with differential payment/ LC/ Performance security for loading of allotted rakes.

This issues with the approval of competent authority.
