Sub: Change of Mode against Sanctioned Rail Programmes for Power Utilities (State Gencos/Central Gencos/IPPs) having valid Fuel Supply Agreement (FSA)

This is for the information of all Power Utilities (State Gencos/Central Gencos/IPPs) that a uniform dispensation has been introduced for change of mode against sanctioned rail programmes. Under this dispensation, the willing customers may apply by 22nd of the concerned month for conversion of part/full Monthly Scheduled Quantity (MSQ) from Rail to Road mode. This dispensation shall be applicable only for sanctioned rail programmes of Power Utilities that are yet to be offered or allotted. The allocation shall be intimated/ notified by 25th of the concerned month. In case of any of these dates is a holiday, then the preceding date shall be considered as cut-off date. The request for conversion of mode shall be permitted depending upon availability of coal.

The concerned Power Utilities will be required to make advance payment against the allocated quantity. This mechanism, however, will not entail any dilution of the provisions related to Deemed Delivered Quantity (DDQ) or payment modalities.

This issues with the approval of competent authority.
