सूचना / NOTICE

Pursuant to the issuance of SHAKTI policy, GM (M&S), CIL has advised that the minimum assured level of supply (trigger level) under the LOA route and SHAKTI FSAs shall be at 75% of ACQ from domestic source only, without any reference to supply of imported coal. However, in terms of the FSA, subject to compliance of all other requirement, coal supply from domestic sources may be more than the assured quantity of 75% of ACQ, subject to availability and fulfilling other supply commitments.

Accordingly, MCL has decided to offer 10% of ACQ/MSQ under Road/RCR mode from the month of Dec'2018 onwards to all post NCDP Power houses having FSA with MCL.

Interested Power consumers may apply for allocation of the said quantity for the month of Dec'2018.

This issue with the approval of competent authority.
