Sub: Allocation of 75% of monthly scheduled quantity (MSQ) through Rail mode for non-power sector consumers in Dec'18 taking coal through Rail mode

This is for information of all non-power consumers taking coal by rail mode that booking for the month of December 2018 will be allowed up to 75% of MSQ quantity through rail mode and the balance 25% of MSQ may be booked by road mode. Further considering the availability of coal stock and expected production plan for Dec'18 at Hingula, Balram, Lingaraj, Bharatpur, Kulda and Lakhanpur mines, the non-power consumers taking coal through Rail mode shall be offered 25% of MSQ from any one of these sources only. However, if any of the Rail borne non power consumer wants to opt for allocation of more than 25% of MSQ by Road mode from any of the above mentioned sources, the same shall also be acceptable depending upon availability of coal. The consumers lifting coal through MGR mode shall have the option to lift maximum quantity of MSQ through MGR and 25% of the balance quantity by road mode.

Please note that in case of Linkage Auction consumers, change of mode will be guided by the approved provisions communicated by GM (M&S), CIL vide letter no. CIL/M&S/New Pol(47252)/Change of mode/273 dated 05.05.2018. The same notice is available in the websites of CIL/MCL. The scheme is applicable for all non power sector consumers lifting coal through Rail mode irrespective of location of end use plant and distance from MCL mines. It is further to clarify that long distance Rail consumers may take delivery through RCR mode (Road cum Rail through Goods shed or private sidings available).

This issues with the approval of competent authority.
