NOTICE

Sub - Issuance of online RDO/ Sale Orders for road mode in the ERP module

This is for information of all Road mode consumer/traders that pursuant to successful implementation of the marketing and sales module under the ERP system introduced in MCL, the Road Delivery Order (RDO) / Sales Order generated in the system will be directly triggered in to the registered email of the consumer/bidders. Hence, no hardcopy of RDO will be issued to the consumer/bidder at the Road sale section of the MCL Headquarter as per earlier practice. The e-RDO will be received by the consumer/Traders in the registered email ids provided to the service providers at the time of registration and information furnished at MCL. The RDO holders has to deposit the printed copy of the RDO received along with authorization letter for lifting and mining e-permit at the Area Sales office for further needful action at their end for lifting of the coal quantity. The consumer/bidder advised to keep their registered email ids valid for receipt of the RDO copies and any other communication in regard to lifting of coal from MCL. Incase of any inconvenience/query the consumer/bidder are advised to approach this office for clarification.
