Kind Attention:

Director (S),
Ministry of Environment, Forest and Climate Change, Eastern Regional Office,
A/3, Chandrasekharpur, Bhubaneswar-751023

Sub: Half yearly Environmental Clearance compliance report with respect to IB Valley Coal Washery (10 MTPA), Lakhanpur Area, MCL for the period April 2023 – September 2023.

Ref: No-. J-11015/171/2015-IA-II (M), dated 30.03.2017&15.06.2017

Dear Sir,

Enclosed herewith, please find the Half yearly Environmental Clearance compliance report with respect IB Valley Coal Washery (10 MTPA), Lakhanpur Area, MCL for the period April 2023 – September 2023.

Encl: As above

Thanking you.

Yours Faithfully

Project Officer

HALFYEARLY COMPLIANCE REPORT OF ENVIRONMENT CLEARANCE

CONDITIONS, IB VALLEY COAL WASHERY (10 MTPA)

April 2023 - September 2023

{E.C. OBTAINED vide no. J-11015/171/2015-IA-II (M) dated: 30th March, 2017 &

SUBSEQUENT AMENDMENT dated: 15th June, 2017}

(A) SPECIFIC CONDITIONS:

Sl.No.	Specific Conditions	Compliances
i	The washery shall be as per project report submitted and presented to EAC	The washery is under Trial stage and all the operations of washery are as per the project report submitted and presented to EAC.
ii	The technology so chosen for the washery should confirm to 'Zero Liquid Discharge'	<p>The Technology chosen for operations in Washery confirms to Zero Liquid Discharge. The Thickener tanks, Belt Press and settling ponds confirm 100% recycle of water and zero waste water discharge.</p>  <p>Belt Press</p>  <p>Thickener Tank</p>

Tailing pond

iii Thick green belt of 30-45m width to be provided around the washery to mitigate/check the dust pollution. A 3-tier avenue plantation should also be developed along vacant areas, storage yards, loading/transfer points, and also along internal roads/main approach roads.

Presently the washery is under trial stage. Plantation have been done in the Eastern Side, Western side and Part of Southern as well as Northern side between the boundary wall and Razor wire fencing. And plantation is being carried out in storage yards and vacant or unused areas of washery premises. Plantation in Nos.:

North Side- 100
 South Side- 1000
 East Side- 600
 West Side-2300

		 <p data-bbox="646 1041 829 1075">Northern side</p>
iv	Transfer of raw coal, clean coal, middling and rejects by rail wagon loading through silo.	<p data-bbox="646 1099 1540 1406">Presently the washery is under trial stage. And a Silo of 10 MTY capacity is under construction and will be commissioned soon. Transportation of raw coal from pit head to washery will be done by pipe conveyor. Further clean coal from washery to silo will be transferred by pipe conveyor for loading in rail wagon through silo.</p> <p data-bbox="646 1429 1540 1518">Middling and rejects will be transferred to reject stock site through pipe conveyor.</p>
v	Disposal of washery rejects shall be in accordance with the extant policy and guidelines, and environment friendly.	<p data-bbox="646 1619 1540 1709">Disposal of washery rejects will be in accordance with the extant policy and guidelines and in an environment friendly manner.</p>
vi	Waste water shall be effectively treated and recycled completely either for washery or maintenance of green belt around the plant	<p data-bbox="646 1870 1540 2065">The technology chosen for the washery confirms to Zero Liquid discharge. So there is no waste water generation from washery operation. Further any runoff water will be collected, treated and used for maintenance of green belt and dust suppression activities.</p>

vii	The assurances given during the Public Hearing and as per the Action Plan developed by the proponent should be implemented.	<p>Assurances given during the public hearing regarding employment & benefits, CSR activities and environmental problems are being implemented as per the action plan developed.</p> <table border="1" data-bbox="646 297 1439 1010"> <thead> <tr> <th colspan="3">Employment status of Lakhanpur Area</th> </tr> <tr> <th></th> <th>Approved</th> <th>Joined/Received</th> </tr> </thead> <tbody> <tr> <td>Employment</td> <td>2156</td> <td>2121</td> </tr> <tr> <td>Cash Compensation</td> <td>85</td> <td>75</td> </tr> <tr> <td>Annuity</td> <td>14</td> <td>14</td> </tr> <tr> <th colspan="3">Resettlement status</th> </tr> <tr> <th>Particulars</th> <th>No of families identified</th> <th>No of families shifted and resettled</th> </tr> <tr> <td>Project displaced families</td> <td>1796</td> <td>1581</td> </tr> <tr> <td>Plot allotted</td> <td>660</td> <td>566</td> </tr> <tr> <td>Cash Compensation</td> <td>1134</td> <td>1013</td> </tr> </tbody> </table>	Employment status of Lakhanpur Area				Approved	Joined/Received	Employment	2156	2121	Cash Compensation	85	75	Annuity	14	14	Resettlement status			Particulars	No of families identified	No of families shifted and resettled	Project displaced families	1796	1581	Plot allotted	660	566	Cash Compensation	1134	1013

water requirement envisaged shall be obtained by recycle/reuse of treated effluent and from rain water harvesting measures

Further, Zero liquid discharge technology have been chosen for complete recycling of waste water.
Rainwater harvesting structure (Capacity of 1, 00,000 Cum) is being constructed at the administrative building of washery. Further, all the surface runoff water has been channelized to mine sumps for ground water recharge.

Rain water harvesting area

Ground water recharge system

xii Socio-economic and welfare measures for the local communities for the adjoining villages shall be implemented under CSR. Activities under CSR activities to be undertaken for the adjoining villages shall be identified in

CSR Expenditure Details of last 5 years of Lakhampur Area, MCL is as follows:

Head	2018-19 Rs. Lakh	2019-20 Rs. Lakh	2020-21 Rs. Lakh	2021-22 Rs. Lakh	2022-23 Rs. Lakh
Drinking water	80.94	106.1	90.89	90.6	270.59
Education	23.84	1.84	15.23		37.75
Rural Development	85.3	192.98	261.03	9.357	120.664
Others	40.3	17.29	58.5	36.596	112.06
Total	230.38	318.23	425.63	136.553	541.064

	consultation with the local authorities, the details of status of implementation of CSR and expenditure thereon which should be annually updated on the company website.	Tentative action for CSR activities in Lakhanpur Area for the year 2023-24 is enclosed as Annexure -I
xiii	Heavy metal content in raw coal, and washed coal shall be analyzed once in a year and records maintained thereof.	Presently Washery is under trial stage. Heavy metal content in raw coal, and washed coal will be analyzed once in a year and records will be maintained after commissioning of the project.
xiv	The commitment made by the Proponent to the issue raised during Public Hearing shall be implemented by the Proponent.	The commitments made by the Proponent to the issue raised during Public Hearing are being implemented by the Proponent.

<p>xv</p>	<p>Corporate Environment Responsibility:</p> <ul style="list-style-type: none"> • The company shall have a well laid down Environment Policy approved by the Board of Directors. • The hierarchical system or Administrative Order of the company to deal with environmental issues and for ensuring compliance with the environmental clearance conditions shall be furnished. • To have proper checks and balances, the company shall have a well laid down system of reporting of non-compliance/violations of environmental norms to the Board of Directors of the company and/or shareholders or stake holders at large. 	<ul style="list-style-type: none"> • Director (T/P&P), MCL is the head of the organization for implementation of the environmental protection measures. He is assisted by GM (Washery), MCL, GM (Envnt), MCL, GM (Lakhanpur Area), Engineer-In-Charge, IB Valley Coal Washery and Area Environment Officer, Lakhanpur Area. • GM(Washery), MCL & GM(Envnt), MCL are ensuring compliances of environmental norms on regular basis • Area Environment Officer at Area Level will ensure compliance and report to GM (Lakhanpur Area). • Project Officer, Belpahar Open Cast Mine is authorized as Engineer-in-Charge for execution of washery and Nodal Officer (Envnt) will ensure compliance and report to Engineer-In-Charge, IB Valley Coal Washery.
-----------	--	--

(B) GENERAL CONDITIONS

i	No change in technology and scope of working shall be made without prior approval of the Ministry of Environment, Forests & Climate Change	No change in technology and scope of working will be made without prior approval of the Ministry of Environment, Forests & Climate Change
ii	Four ambient air quantity monitoring stations shall be established in the core zone as well as in the buffer zone for PM ₁₀ , PM _{2.5} , SO ₂ and NO _x monitoring. Location of the stations shall be decided based on the metrological data, topographical feature and environmentally and ecologically sensitive targets in consultation with the State Pollution Control Board or an expert agency like NEERI, IIT's, other CSIR units. Monitoring of heavy metal such as Hg, As, Ni, Cd, Cr, etc carried out at least once in six months. The unit shall install a continuous Ambient Air Quality Stations in premises to monitor online the values of PM ₁₀ , PM _{2.5} , SO ₂ and NO _x and displayed on the entrance of the washery.	<p>Four Nos. of air monitoring station viz. Near Magazine House, East of the mine, Near Central Workshop and South of the Mine have been established based on environmentally & ecologically sensitive location criteria in consultation with State Pollution Control Board after approval from SPCB, Jharsuguda vide L. No MCL/GM/LKPA/Envvt/2022-23/109 dated 17.02.2023. SPM, SO₂, NO_x, PM₁₀ and PM_{2.5} level in the ambient air are monitored. As suggested, monitoring of heavy metals such as As, Ni, Cd, Cr. is being done at least once in six months at locations fixed in consultation with SPCB, Jharsuguda.</p> <p>Further, Continuous Ambient Air Quality Monitoring Station has been established in premises of washery and display board has been installed at the entrance of the washery.</p>  <p>Latitude: 21.740379 Longitude: 83.850954 Elevation: 244.82±16 m Accuracy: 7.5 m Azimuth: 188° (S) Pitch: 10.1° (1.2°) Time: 11-07-2023 18:27 Note: Washery Air Monitoring Station</p> <p>CAAQMS at the Entrance of the Washery</p>
iii	Data on ambient air quality (PM ₁₀ , PM _{2.5} , SO ₂ and NO _x) and heavy metals such as Hg, As, Ni, Cd, Cr and other monitoring data shall be regularly submitted to Regional Office of the Ministry and to the State Pollution Control	Ambient air quality (PM ₁₀ , PM _{2.5} , SO ₂ and NO _x) and heavy metals such as Arsenic, Nickel, Chromium and Cadmium are being monitored and the report is submitted to the Regional Office of the Ministry and to the Odisha State Pollution

	Board once in six months. Random verification of samples through analysis from independent laboratories recognised under the EPA rules, 1986 shall be furnished as part of compliance report once in a year.	Control Board.
iv	Adequate measure shall be taken for control of noise level below 85 DBA in the work environment. Workers engaged in noisy areas like crushers, pumps, conveyors, bath, cyclones etc shall be provided with ear plugs/muffs.	Presently Washery is under trial stage. Adequate measures are being taken for control of noise level below 85 DBA in the work environment. Ear plugs/muffs are being provided to workers.
v	Industrial waste water shall be properly collected and treated in sedimentation ponds and treated water shall be recycled in washing circuit and other usages. No effluent shall be discharged to surface water bodies.	The Technology chosen for operations in Washery confirms to Zero Liquid Discharge. The Thickener tanks, Belt Press and settling ponds confirm 100% recycle of water and zero discharge. No effluent will be discharged to surface water bodies.
vi	Vehicular emission shall be kept under control and regularly monitored. Vehicles used for transporting the mineral shall be covered with tarpaulins and optimally loaded.	Vehicular emission is being kept under control and regularly monitoring is being carried out.
vii	Monitoring of effluent quality parameters shall be carried out through establishment of adequate number and type of pollution monitoring and analysis equipment in consultation with the State Pollution Control Board and data got analyzed through a laboratory recognized under EPA Rules, 1986.	Monitoring of environmental quality parameters such as Air, Water, and Noise is being carried out by CMPDIL which is a NABL accredited agency on fortnight/monthly/quarterly basis.
viii	Personnel (Departmental, Outsourced and casual if any) working in dusty areas shall wear protective respiratory devices and they shall also be provided with adequate training and information on safety and health aspects.	Presently Washery is under trial stage. All the workers are provided with helmets, protective respiratory devices and all are adequately trained on safety and health aspects
ix	Occupational health surveillance programme of all workers (Departmental, Outsourced and casual if any) shall be undertaken periodically to observe any ill effect due to exposure to dust and to take corrective measures, if needed and	Presently Washery is under trial stage. Occupational health surveillance programme of all workers will be conducted regularly.

	records maintained thereof. The quality of environment due to outsourcing and the health and safety issues of the outsourced manpower should be addressed by the company while outsourcing.	
x	A separate environmental management cell with suitable qualified personnel shall be set up under the control of a Senior Executive, who will report directly to the head of the company.	<ul style="list-style-type: none"> • Director (T/P&P), MCL is the head of the organization for implementation of the environmental protection measures. He is assisted by GM (Washery), MCL, GM (Envt), MCL, GM (Lakhanpur Area), Engineer-In-Charge, IB Valley Coal Washery and Area Environment Officer, Lakhanpur Area. • GM(Washery),MCL & GM(Envt),MCL are ensuring compliances of environmental norms on regular basis • Area Environment Officer at Area Level will ensure compliance and report to GM (Lakhanpur Area). • Project Officer, Belpahar Open Cast Mine is authorized as Engineer-in-Charge for execution of washery and Nodal Officer (Envt) will ensure compliance and report to Engineer-In-Charge, IB Valley Coal Washery.
xi	The funds earmarked for environmental protection measures shall not be diverted for other purpose. Year-wise expenditure shall be reported to this Ministry and its concerned Regional office.	The funds earmarked for environmental protection measures will not be diverted for other purpose. Year-wise expenditure will be reported to Ministry and its concerned Regional office.
xii	The project authorities shall advertise at least in two local newspapers widely circulated around the project, one of which shall be in the vernacular language of the locality concerned within seven days of the clearance letter informing that the project has been accorded	The project authorities have advertised in two local newspapers i.e., Samvad and The New Indian Express on 29.07.2016 informing that the project has been accorded environmental clearance and a copy of the clearance is available with the State Pollution Control Board and may

	environmental clearance and a copy of the clearance is available with the State Pollution control Board and may also be seen at the website of the ministry of Environment, Forests & Climate changes at http://envfor.nic.in .	also be seen at the website of the Ministry of Environment, Forests & Climate Change at http://envfor.nic.in and on MCL's website https://www.mahanadicoal.in/Environment/estatuatorycp.php
xiii	A copy of the environmental clearance letter shall be marked to concern Panchayat / Zila Parishad, Municipal Corporation or Urban local body and local NGO, if any, from whom any suggestion / representation has been received while processing the proposal. A copy of the clearance letter shall also be displayed on company's website.	A copy of the environmental clearance letter No. J-11015/171/2015-IA-II (M) dated: 30th March, 2017 was marked to Sarpanch of Kushraloi Panchayat, Chief Executive Officer of Jharsuguda Zila Parishad. A copy of the clearance letter is also being displayed on MCL's website https://www.mahanadicoal.in/Environment/estatuatorycp.php .
xiv	An Electronic copy of the environmental clearance shall be forwarded to State Pollution Control Board. Regional Office of the Ministry, District Industry Sector and Collector's Office / Tehsildar's Office for its display in public domain for 30 days.	Electronic copy of the Environmental Clearance was forwarded to Regional Office, State Pollution Control Board, Jharsuguda, Regional Office (Eastern Region) of the Ministry of Environment, Forests & Climate Change, Bhubaneswar and District Collector, Jharsuguda.
xv	The clearance letter shall be uploaded on the company's website. The compliance status of the stipulated environmental clearance conditions shall also be uploaded by the Project authorities on their website and updated at least once every six months so as to bring the same in public domain. The monitoring data of environmental quality parameter (air, water, noise and soil) and critical Pollutant such as PM ₁₀ , PM _{2.5} , SO ₂ , and NO _x (ambient) and critical sectoral parameters shall also be displayed at the entrance of the project premises.	The clearance letter is being displayed on company's website and can be accessed through https://www.mahanadicoal.in/Environment/estatuatorycp.php . The compliance status of the stipulated environmental clearance conditions is being uploaded Half Yearly.. Further, The monitoring data of critical Pollutant such as PM ₁₀ , PM _{2.5} , SO ₂ , and NO _x are being displayed at the entrance of the project premises.
		 <p>Latitude: 21.740379 Longitude: 83.850954 Elevation: 244.92±16 m Accuracy: 7.5 m Azimuth: 188° (S) Pitch: 10.1° (1.2°) Time: 11:52:2023 18:27 Note: Washery Air Monitoring Station</p> <p>CAAQMS at the entrance of the washery</p>

	compliance reports on status of compliance of the stipulated environmental clearance conditions (both in hard copy and in e-mail) to the respective Regional Office of the Ministry and the SPCB.	compliance or the stipulated environmental clearance conditions are being submitted to Eastern Regional Office, MoEF&CC and SPCB. Pervious report the period October 2022 to March 2023 was submitted to Eastern Regional Office, MoEF&CC and , SPCB vide L.No: MCL/LKPA/PO/BOCM/ENVT/2023-24/546 dated 27.05.2023 and also sent through e-mail.
xvii	The Regional Office of this Ministry located in the region shall monitor compliance of the stipulated conditions. The project authorities shall extend full co-operation to the Officer (s) of the Regional Office by furnishing the requisite data / information / monitoring reports.	The project authorities will extend full co-operation to the Officer (s) of the Regional Office by furnishing the requisite data / information / monitoring reports as and when required.
xviii	The environmental statement for each financial year ending 31 March in form - V is mandated to be submitted by the Project proponent for the concerned State Pollution Control Board as prescribed under the Environment (Protection) Rules, 1986 as amended subsequently, shall also be uploaded on the company's website along with the status of compliance of EC conditions and shall be sent to the respective Regional Offices of the MoEF&CC by e-mail.	The environmental statement for the financial year ending 31 st March, 2023 in Form - V was submitted to Odisha State Pollution Control Board vide no. MCL/HQ/Envt & Forest/2023/87222.09.2023 and also uploaded on the MCL's website https://www.mahanadicoal.in/Environment/estatuatorycp.php along with the status of compliance of EC conditions and sent to the Eastern Regional Office of the MoEF&CC by e-mail.

Tentative action for CSR activities in Lakhanpur Area for the year 2023-24 (Annexure –I)

S. No.	Work description	Value (Approx.)
1	Construction of Guard wall at Mauliberna Basti, Lakhanpur GP.	40.00
2	Construction of Fabricated G.I. Sheet Shed at Junian Sahara Pada, Lakhanpur GP.	25.00
3	Construction of Fabricated G.I. Sheet Shed in front of Jagannath Mandir at Lakhanpur village, Lakhanpur GP.	54.26
4	Construction of Drain with Slab at Lakhanpur Basti, Lakhanpur GP.	80.66
5	Construction of New Bus Stand at Jagannath Chowk, Lakhanpur village, Lakhanpur GP.	31.92
6	Construction of a R.O water filtration center with freezer (Amruta Dhara) for drinking purpose at Beheraguda Chowk, Lakhanpur GP.	70.00
7	One permanent stage with a community center (green rooms) at Maa Samalai Mahotsav Ground, Lakhanpur GP.	16.09
8	Construction of guard wall with bathing steps at Bagdiya nala near Jugal Kalo house, Beheraguda, Lakhanpur GP.	42.17
9	Completion of concrete road from PMGSY road to colony pada, Lakhanpur GP.	75.00
10	Construction of guard wall at Bagdiya nala near Lakhapati Biswal house, Mauliberna, Lakhanpur GP.	45.00
11	Construction of bathing steps at Bagdiya nala, Beheraguda, Lakhanpur GP.	18.00
12	Construction of concrete road at Kumurapada from Goura Naik house to the end of village Bandipahar, Lakhanpur GP.	85.00
13	Electrification with 10 (Ten) nos. of solar lights for Ashok Chakra Club, Lakhanpur.	8.00
14	Construction of dug-well and supply of water to Bhejikud Talpada with solar system, Pipilikani GP.	15.00
15	Digging of deep bore well and supply of water to village Bhejikud upar pada, Bhejikud PUPS and Sabarpada two nos. with solar system, Pipilikani GP.	25.00
16	Digging of deep bore well and supply of water to village Padapali with solar system, Pipilikani GP.	15.00
17	Excavation of Sarandamal-Talibahal Kanta including stone patching, construction of 6 nos. of bathing ghats, sitting arrangement for elderly people and jogging track across the Kanta.	70.00
18	Repairing and constructing the black topping road at Kirarama village, Sarandamal GP.	95.00
19	Renovation of pond near 'Siba Mandir' at Kirarama village, Sarandamal GP.	57.35
20	Construction of a Cultural Facility Centre at Kirarama for protecting, practicing & promoting indigenous art & culture.	30.00
21	Improvement of road from Sarat Padhan house to old Bhejikud via Padapali Bandha, Pipilikani GP.	50.00
22	Following works at the Govt. U.P. School, Kirarama -	95.00
	Construction of five classrooms by dismantling/demolishing existing damaged classrooms in old school building.	
	Construction of Kitchen in the existing school building.	
	Installation/construction of outdoor playground equipments for student.	
	Hand wash basin with multi-tap for students and teachers.	
	One toilet for girls and one toilet for boys.	
23	Supply and instillation of a RO water filter, one computer set, one printer and six ceiling fans at Govt. U.P. School, Kirarama.	1.00
24	Supply of two almirah, five tables and twenty chairs at Govt. U.P. School, Kirarama.	0.50
25	Renovation of Kainsbahal Upar Muda (pond) with 2 nos. of Bathing Steps & changing room, Dalgaon GP.	30.00
26	Renovation of Basupali Upar Muda (pond) with 2 nos. of Bathing Steps & changing room, Dalgaon GP.	30.00
27	Construction of a community centre at Negipali Muslim pada, Dalgaon GP.	40.00
28	Construction of CC road at Cherkanta Raudia pada, Dalgaon GP.	50.00
29	Completion of CC road at Khapsimuda, Dalgaon GP.	50.00
30	Renovation of pond with sludge cleaning and construction of four nos. bathing ghats at Jurabaga Kanta.	40.00
31	Renovation of Tali bandha and construction of four nos. bathing ghats at Jurabaga.	40.00
32	Construction of BM road from Muchhabahal Chowkh to Luhurapada road at Jurabaga. (2 km approx.)	60.00
33	Cleaning, Renovation and bolder pitching of Bada Kanta, Gumadera, Belpahar.	60.00
34	Cleaning, Renovation and bolder pitching of Samada Kanta, Belpahar.	50.00
35	Construction of class room at Govt. School, Jamkani, Belpahar.	20.00

36	Construction of dining shed at Samada Primary School, Belpahar.	5.00
37	Construction of Community Toilet at Udajahapadia, Gumadera, Belpahar.	10.00
38	Construction of Community Toilet at Jhandapada, Gumadera, Belpahar.	10.00
39	Construction of Community Toilet at Gwalapada, W.No.8, Belpahar.	10.00
40	Construction of Community Toilet at Gwalapada, W.No.13, Belpahar.	10.00
41	Construction of Community Toilet at Mahijore, Belpahar.	10.00
42	Construction of Community Toilet at Mahijore Uparpada (Turipada), Belpahar.	10.00
43	Construction of Community Toilet at Dhauramunda, Belpahar.	10.00
44	Construction of toilets (latrine and urinal) separate for boys & girls. Construction of boundary wall at Anchalik High School, Khairkuni.	50.00
45	Supply of 100 pair desk & bench at Anchalik High School, Khairkuni.	5.00
46	Supply and installation of water filter at Anchalik High School.	2.00
47	Construction of boundary wall at Govt. Primary School, Sarandamal.	40.00
48	Adoption of Bandhabahal village and development of it as a model village .	500.00
49	Supply and installation of water filter at Govt. Primary School, Bandhabahal.	2.00
50	Construction of a Ladies Hostel at Mahima Higher Secondary School, Mahimapuram, Panchgaon.	35.00
51	Construction of a G.P. level Kalyan Mandap with attach latrine, bathroom, kitchen and boundary wall at Adhapada of Kushraloi GP.	50.00
52	Construction of CC road at pada no.3 of Adhapada, Kushraloi.	30.00
53	Construction of CC road at pada no.4 of Adhapada, Kushraloi.	30.00
