Naveen inaugurates upgraded infra of 3000 sacred tribal groves

PBD BUREAU/PTI

BHUBANESWAR, FEB 26

Naveen Patnaik inaugurat-Tuesday ed upgraded infrastructure of 3000 "sacred tribal groves" and 400 tribal cultural clubs in nine districts through video conferencfrom the State Secretariat here.

Patnaik also felicitated tribal artists of nine special development councils operating in those tribal dominated districts of the state.
The Chief Minister also

dedicated new facilities for tribals that have been completed by the tribal councils in Mayurbhanj, Keonihar, Sundargarh Kandhamal, Gajapati, Rayagada, Malkangiri and Nabarangpur districts.

"It is our duty to pre-serve the tribal arts and culture," Patnaik said after inaugurating the facilities He said the special devel-opment councils have been operating as expect-

At least 25,000 tribal artists have been provided with artisan cards, he said.

The state government in March, 2018 had constituted special development councils in the nine tribal dominated districts where

activities were going on to preserve and conserve culture and traditions of 62 categories of tribals including those belonging to particularly vulnerable tribal groups (PVTG). The councils provides musical instruments for

cultural clubs, dance cos-tumes to dance troupes and sports kits.

The councils also work for setting up tribal museum to preserve the tribal art and culture, officials

Naveen salutes IAF for air strikes on terror camps in Pak

PBD BUREAU/PTI

BHUBANESWAR, FEB 26

ODISHA Chief Minister Naveen Patnaik Tuesday praised the Indian Air Force (IAF) over its successful air strike inside

"Salute #IndianAirForce for pre-dawn air strike on terror camps in defence of our Nation. #JaiHind," Patnaik tweeted.

The Chief minister also moved a motion in the cabinet meeting praising the action of Indian Airforce to protect our country which was unani-

country which was unani-mously adopted.

Notably, in the early hours of Tuesday, IAF fighter jets successfully destroyed terrorist camps in Pakistan's Balakot in Khuber, Pakhtunkhua Khyber Pakhtunkhwa province in Pak Occupied Kashmir.

Corporation were present in

the meeting. A presentation

was made on the status of the New Hot Strip Mill

Project which was followed by discussions.

NALCO bags Swachh Bharat Award

BHUBANESWAR, FEB 26

NAVRATNA CPSE National Aluminium Company Limited (NALCO) has bagged the Swachh Bharat Award during the National Swachhata Summit-2019, held in

New Delhi recently. The award has been conferred on NALCO for Sanitation-Infrastructure Building & School Sanitation Initiatives.

As a PSU-partner in Government's Swachh Vidyalaya Abhiyan, NALCO constructed 479 toilets in Odisha and Andhra Pradesh, resulting in enrolment and attendance enhancement of students in rural and tribal area schools. NALCO has now taken up the project to make the remote villages of Damanjodi and Angul open defecation free (ODF). Also, as an active partner in the Swachh Bharat Abhiyan, the Company has been under-taking year-round cleanliness drives. NALCO, with a view to ensure plasticfree environment, has promoted the usage of cloth bags and paper bags. The Company is also encouraging schools and students to promote cleanliness by providing financial incentives under the Gulgul-Kunmun Award scheme. Also, under Prime Minister's Swachh Bharat

Mission and Iconic Shrine Development Programme, the aluminium major has taken up sever-al CSR projects for al CSR projects for comprehensive development of the holy city Puri. Under this programme, NALCO has installed drinking water kiosks for pilorims in Puri, taken un the renova-

pilgrims in Puri, taken up the renova-tion of Gandhi Park as a clean and green park and a major tourist attraction; and carried out extensive beautifi-cation of the shrine city.

On the occasion, NALCO's CMD Dr. Tapan Kumar Chand was also conferred with the CSR Leadership Award in recognition of his initiatives to make CSR a part of the organizational culture of NALCO. Under his leadership, NALCO has successfully implemented schemes like "NALCO ki Ladli" for the education of meritorious girls from BPL families in line with the "Beti Bachao,

Beti Padhao" programme of Government of India. The Company is also carrying out various CSR activities under Indradhanush for providing quality education of children from tribal areas of the state, integrated health servskill development, infrastructure

Dharmendra slams Naveen for 'neglecting farmers' PBD BUREAU

BHUBANESWAR, FEB 26

UNION Minister Dharmendra Pradhan has castigated Chief Minister Naveen Patnaik for neglecting the inter-est of farmers in the State

Talking to reporters Pradhan said Tuesday that farmers belonging to the OBC category have all along been deprived of reservation in education and job during the 19 years of BID rule in the State.

Lashing out at the government's inaction in preparing a valid list of farmers of different categories, the Union minister said the government has sent a list of nine lakh farmers to Centre while it claims it has 45 lakh farmers in its list.

"The government initially demanded assis-tance for 12 lakh small marginal farmers while it has sent a list of only nine lakh farmers to Centre", Pradhar alleged, adding that the Pradhan list is not clear and is suspicious. Pradhan wanted to

know if the government is really working in the interest of the farmers, why it fears them when they rise in protest with genuine demands.

Villagers submit memorandum against **Jalan Carbon to Joint Inspection Team**

PBD BUREAU

BHUBANESWAR, FEB 26

TAKING strong exception to the severe ground water contamination in their neighbourhood, villagers of Ekagharia on Monday submitted a strongly worded memorandum to the 3-member Joint Inspection Team that visited the village and the errant coal-tar refinery, Jalan Carbon.

Sources in knowledge of the development told PBD that the villagers including the members of Panchayatiraj Institutions of the area submitted the memorandum in which they have demanded stringent action against the errant industry as well as the officials of the State Pollution Control Board who are allegedly hand in glove with the promoter of

lalan Carbon. "Serious action may be taken against the industry for contaminating the ground water and punitive action may be taken against the officers concerned who are hand in glove with the industry," the villagers demanded through the memoran-

Urging the Joint Inspection Team to prevail upon concerned authori-ties to prevent Jalan Carbon from getting per-mission to resume produc-

villagers have demanded heavy penalty to be imposed on the industry for contaminat-ing the ground water and soil in the neighbourhood.

"The ground water soil contamination may be rectified and crim inal cases may be initiated against the industry peo-ple," they demanded.

It may be mentioned here that a 3-member expert team comprising members from CPCB, SEIAA and SPCB of Odisha on Monday inspected the industry and its neighbourhood where ground water and soil has been severely contaminat-ed. While Rita Saha represented CPCB, Dr. Anup Mallick, Regional Officer of SPCB at Angul and Dipti Nayak represented SPCB and SEIAA in the Joint Inspection Team

respectively.

The Joint Inspection
Team collected water samples from inside the plant as well as from nearby streams, Tosia Nala & Tasiri Nala, pond, crop fields and some of the tube wells in the village.

Notably, taking cog-nizance of the allegations

Tribunal (NGT) in its order on January 29 had instructed CPCB, OSPCB and SEIAA to go for joint inspection of this coal-tar industry within one month. The team is to submit a report to the

NGT soon.

It may be mentioned here that one of the affected villagers of Ekagharia, Lohit Nanda had earlier moved NGT raising ques-tions regarding degradation of quality of ground water in village caused by discharge of effluent containing several hazardous substance like Cyanide, Phenolic Compound as phenol, ammonia by Jalan Carbon.

Issuing notice to OSPCB and SEIA, NGT in its January 29 order had instructed to file action taken report one week A test report compiled

by the Central Laboratory of the State Pollution Control Board, Odisha had in September, 2018 found high level of phenol and cyanide in the water samples collected from Jalan Carbon and Chemicals and its neighbourhood.
