Dear Sir,

Please refer to the above letters/office orders, wherein it has been time and again advised to ensure finalization of the tenders within the original bid validity period. However, it has been observed that some of the tenders are not being finalized within the original bid validity due to some unjustified reasons viz. non-availability of tender committee members, non-availability of funds, etc.

Non-compliance of the above direction of finalization of the tenders within the original bid validity period has been viewed very seriously by the higher management. As such, it is requested to kindly look into the matter and direct the concerned officials found responsible for delaying the tender finalization within the original bid validity to refrain from such activity.

Further, it is requested to kindly direct all officials dealing with tender finalization under your administrative control to ensure finalization of the tenders within the original bid validity period.

Yours faithfully,

13-12-24
