Sub: - Regarding Pre contract Integrity Pact

Dear Sir,

In tenders where integrity pact is applicable, the bidders have to accept unconditionally the pre-contract integrity pact in GTE (General Technical Evaluation) at the time of bid submission. The pre-contract integrity pact (as per format given in bid document) is to be signed by the authorized signatory of the bidder with name, designation and seal of the company at the time of execution of formal agreement.

In this regard, it has been observed that the details of the work and name and designation of the representative of MCL signing the pre-contract integrity pact is not mentioned in the format provided in the bid document. As such, during execution of the formal agreement, the authorized signatory is signing in the format of the pre-contract integrity pact which does not contain the name of the work.

You are therefore advised to ensure that the details of the work and name and designation of the executive signing the pre-contract integrity pact on behalf of MCL shall be mentioned in the format of pre-contract integrity pact provided in the bid document.

Yours faithfully,

General Manager (Civil)/HOD, MCL

Copy to:-

1. Director Technical (OP), MCL – For kind information.
2. General Manager, All Area, MCL
3. Manager(C), I / II/ TC, MCL HQ.
