To
Staff Officer (Civil)
All Areas, MCL

Sub.: Regarding execution of electrical works being carried out under composite contracts (containing both civil and electrical works) awarded by civil deptt.

Dear Sir,

For execution of composite contracts, civil and electrical portion are clubbed together and tendered as a single work from civil deptt. for proper monitoring and smooth execution of such works.

In such cases, as per clause no. 19 of General Terms and Conditions, the agency shall submit valid electrical license either in his name or of his authorized representative/supervisor [under whose supervision electrification work (internal and/or external) will be executed] issued by Electrical Licensing Board / Authority of the Indian State / UT, in accordance with Indian Electricity Rule before execution of electrical works. Moreover, the electrical works shall be monitored and certified by E&M department of the concerned area prior to payment of such works.

You are therefore advised that due care shall be taken for execution of the electrical portion of such composite contracts as per the rules and regulations of the NIT. The E&M department shall be mandatorily intimated regarding award of work of composite contracts containing electrical works for taking necessary action at their end. Execution and payment of the E&M portion of such composite contracts shall be ensured only with proper supervision and certification from E&M department.

Yours faithfully,

24-9-24
GENERAL MANAGER (CIVIL/HOD)
MCL, SAMBALPUR
