महोदय,

Earlier, the Standard NIT and Cost Estimate for the job "Hiring of 10 wheel truck chassis mounted mist blower fog cannon along with min. 25 KVA DG Set and 12 KL Water Tank and suitable no. of nozzles" having estimated value less than 1.00 Cr. has been circulated to all areas of MCL vide the above referred letter at sl.no.(i) and later on Revised Standard NIT, BOQ, TPS & Cost Estimate was circulated vide above referred letter at sl.no.(ii).

Recently, there is amendment in e-Procurement Process of CIL for Works and Services and accordingly Guidelines for e-Procurement of Works and Services of CIL (Updated till March 2020) has been circulated by CIL vide above referred letter at sl.no.(iii). Therefore, Standard NITs for "Hiring of 10 wheel truck chassis mounted mist blower fog cannon along with min. 25 KVA DG Set and 12 KL Water Tank and suitable no. of nozzles" have been prepared in line with the Guidelines for e-Procurement of Works and Services of CIL (Updated till March 2020) and some changes related to UDIN, Reimbursement of CMPS, Pre-Contract Integrity Pact, Attendance of contractor workers through AEBAS portal and registration of contractors on CLPMP portal of CIL. In view of the above, you are requested to use these Standard NITs, BOQ, TPS (where applicable) and GTEs for tendering of "Hiring of 10 wheel truck chassis mounted mist blower fog cannon" with immediate effect. The soft copy of these are being emailed to all the S.O.(E&M)s mail ids.

New TPS for tendering of "Hiring of 10 wheel truck chassis mounted mist blower fog cannon" has been prepared for the tender **having estimated cost Rs 50.00 Lakh and above upto Rs 2.00 Crore and having estimated cost above Rs 2.00 Crore only.** Some extra data to be entered before uploading in e-tender portal are as below:

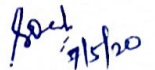

- (i) **Estimated Cost** is to be entered in **P1 Cell.**
- (ii) **Date of publication** is to be entered in **P2 Cell.**

As the provision of TPS (Technical Parameter Sheet) has been deleted in NIT having **estimated cost Rs 2.00 Lakh and above but below Rs 50.00 Lakh**, so a note has been added in all three sets of NITs for uniformity at Clause no. 8 (A) (iii) and 9 (c) (ii) (1) (b) regarding the required first date of registration of truck(s) as per tender. **All the Tender Inviting Authority (TIA) are required to compulsorily fill the first date of registration of truck(s) which will be required for the tender at the above mentioned clauses (i.e. clause no. 8 (A) (iii) and 9 (c) (ii) (1) (b)) before floating of any of three sets of NITs.**

This has got the approval of the competent authority and it is financially concurred vide no. FD/MCL/SBP/2020-21/Rev/D-58/Amendment in Standard NIT/HQ, Dt 06/05/2020.
