

Footballer grazes goats for a living

Tanuja Bage played four matches as goalkeeper of the national team till 2011

Tanuja along with her daughter | EXPRESS

RAJ KUMAR SHARMA @ Jharsuguda

AT a time when sports figures top on Odisha Government's agenda, a national-level footballer who brought laurels to the State is working as a daily labourer and grazes goats for a living.

Tanuja Bage of Debadih village in Jharsuguda district represented Odisha and India in the past but poverty has forced this national-level goalkeeper to give up the game and work as a labourer to make ends meet.

The hut of this 29-year-old sports-woman is replete with certificates and awards that she won from the game. Having proved her mettle on the field, she hoped for Government assistance for pursuing sports and leading a decent life. However, that never happened. Born into a poor tribal family, she started playing football in 2003 at the age of 14. She underwent training under some senior football players in Brajrajnagar and after playing for Odisha team for a few years, she secured a place for herself in the Indian team as a goalkeeper. She played four matches as goalkeeper of the national team till 2011.

Besides football, Tanuja is a State and national-level rugby player. "My awards and certificates are of no help because it's a struggle for me to eke out living. Poverty does not allow me to even think about sports"

living. Poverty does not allow me to even think about sports", says Tanuja.

She does not own a house of her own and stays in a hut constructed on a piece of Government land along with her husband who is also a daily labourer. The couple has a three-year-old daughter. Apart from the meagre wages that she earns, her only hope for sustenance is the ration card that has been provided to her by the State Government.

Although she had got a private job earlier, it was not feasible. "During the tenure of former Collector BB Patnaik, he helped me get a job of training students in football in a private school. I was promised a monthly salary of ₹8,000 but got only ₹3,000. And I had to cycle for 15 km every day to reach the school from my home so I had no other option but to quit," she recalls.

For villagers, women particularly, Tanuja was a role model and they were proud of her achievements. They said the State Government can at least provide her a job and an opportunity to play again.

Collector Jyoti Ranjan Pradhan said he will meet her soon and inquire about her financial condition to provide her necessary help. "We will ask the District Sports Officer to do the needful," he said.

BROKEN DREAMS

Tanuja of Debadih village in Jharsuguda district represented Odisha and India in the past but poverty forced her to give up the game

Born into a poor tribal family, she started playing football in 2003 at the age of 14.

She underwent training under Vedanta's corporate social responsibility programme and after playing for Odisha for a few years, she secured a place for herself in the Indian team as a goalkeeper

CRISIS AGAIN

Kalahandi was given a target to procure 32 lakh quintal paddy from farmers but it was not enough as 25,000 quintal paddy remains unsold across the district

Farmers allege they could not get tokens for selling their produce in the mandis

While farmers across Jeypore, Kundura, Kotpad and Borigumma produced 11.5 lakh quintal paddy, the Government fixed procurement target at 10.67 lakh

FARMERS OF KORAPUT ARE LEFT WITH 80,000 QUINTAL UNSOLD PADDY

'Surplus' worry for farmers of Kalahandi, Jeypore

EXPRESS NEWS SERVICE @Bhawanipatna/Jeypore

A large number of farmers are yet to sell their produce from the rabi season even as paddy procurement concluded on Monday.

The process of paddy procurement was marred by delay and distress sale by farmers. The district was given a target to procure 32 lakh quintal paddy from farmers. However, it was not enough as around 25,000 quintal paddy remains unsold across the district.

A few farmers alleged that they could not get tokens for selling their produce in the mandis. Around 1,000 farmers were affected in seven mandis at Dharamgarh, Charbahal, Belguda, Maliguda, Chakuli and Habaspur.

The farmers are apprehensive of their unsold stock getting damaged due to rain. The farmers met the Sub-Collector of Dharamgarh and apprised him about their plight and demanded steps to procure the unsold paddy from them. Sources said the district administration has urged the Civil Supplies department to allow procurement centres to purchase

The Kalahandi administration has urged the Civil Supplies department to allow procurement centres to purchase the unsold paddy from farmers

Sources

The unsold paddy from farmers. In Jeypore, paddy procurement came to an end on Monday but farmers are still left with 80,000 quintal unsold paddy. This year, 40 mandis were opened for procurement.

While farmers across Jeypore, Kundura, Kotpad and Borigumma produced 11.5 lakh quintal paddy, the Government fixed procurement target at 10.67 lakh.

However, the surplus paddy has remained unsold with all mandis being closed. Farmers said they would not be able to proceed with kharif cultivation unless the rabi paddy stock is cleared. They met the District Civil Supply Officer on Tuesday demanding procurement of the available stock considering the gravity of the situation.

Civil Supply Department sources said further procurement can only be done after State Civil Supply Corporation gives permission.
