RAHUL'S 52 GUIDES KINGS XI TO 182-6

PTI ■ MOHALI

Opener KL Rahul cracked a patient fifty before a terrific cameo by skipper Ravichandran Ashwin powered Kings XI Punjab to a challenging 182 for six against Rajasthan Royals in a second leg IPL clash here on Tuesday.

Rahul, who was named in the World Cup squad on Monday, recovered after a slow start to post a 47-ball 52 studded with three fours and two sixes. He was ably supported by his South African teammate David Miller (40 off 27) as the duo shared a 85-run stand to lay the foundation.

Ashwin then blasted a four-ball 17 in the last over as KXIP posted a good total on board.

Pacer Jofra Archer (3/15) returned with an exceptional three-wicket haul to emerge as the best bowler for the Royals.

Invited to bat, opener Gayle (30) smashed Jaydev Unadkat for a couple of sixes in the second over, before blasting Dhawal Kulkarni for a four and a six in the fifth over.

Archer then had him caught behind by Sanju Samson in the sixth over as KXIP were 39 for one in the first powerplay overs.

Playing his first IPL game this season, New Zealand's Ish Sodhi was then introduced into the attack and Mayank Agarwal (26 off 12) clobbered him for a six in the fourth ball.

Agarwal then picked up a four and a six off Shreyas Gopal before Sodhi returned to remove him. Trying to play a slog sweep,

RAHUL, WHO WAS NAMED IN THE WORLD CUP SQUAD ON MONDAY, RECOVERED AFTER A SLOW START TO POST A 47-BALL 52 STUDDIED WITH THREE FOURS AND TWO SIXES. HE WAS ABLY SUPPORTED BY DAVID MILLER (40 OFF 27) AS THE DUO SHARED A 85-RUN STAND TO LAY THE FOUNDATION

Agarwal was caught by Archer at long-on.

Left stranded on the other end, Rahul tried to steady the ship with Miller, who came into the side due to the last-minute ankle injury of Moises Henriques.

The duo took singles and twos before Rahul finally scored his first boundary when he lifted a Unadkat delivery across the mid-off region.

In the 14th over, Rahul and Miller exploded after bringing up the hundred for KXIP. The duo amassed 19 runs off Sodhi's over, his last, with Rahul smoking a massive six over deep square leg and Miller thumping one over long-off.

The two batsmen piled up 20 runs in the next over with Rahul hitting an inside-out shot over cover for a six and a four off Unadkat, and Miller disposing a full-toss over deep midwicket.

Gopal then bowled an economical over next to complete his quota of four overs.

In the next over, Archer dismissed Miller on a no-ball before Rahul sent one across the mid-off area to complete his fifty in 45 balls.

Rahul perished early in the 18th over off Unadkat and Archer then bowled a superb over, removing Nicholas Pooran (5) and Mandep Singh (0). Miller too was sent packing early in the 20th over by Kulkarni.

Ashwin then smashed a four and successive sixes in the last two balls to put KXIP in a strong position.

Unstoppable CSK takes on Sunrisers

PTI ■ HYDERABAD

Having missed the World Cup, Ambati Rayudu will be aiming to make a statement when a marauding Chennai Super Kings take on a desperate Sunrisers Hyderabad here on Wednesday.

The World Cup snub to Rayudu is the sole disappointment in an otherwise superb tournament so far for Mahendra Singh Dhoni's men as they are just a win away from clinching the play-off berth.

The Hyderabad right-hander had found some form with a half-century against Rajasthan Royals and the flamboyant batsman, who was seen as a sure-shot No.4 in the national team, may just channelise the disappointment against a faltering Sunrisers.

While CSK sit pretty on top of the table with 14 points from eight games, Sunrisers' have suddenly gone off the boil with a hat-trick of defeats, includ-

ing an inexplicable batting collapse against Delhi Capitals in their last game.

What has been CSK's strength despite an ageing team has exactly been Sunrisers' bane in the matches that they have played so far.

While CSK have had plans A, B and C for various situations, Sunrisers have failed miserably whenever their opening pair of Jonny Bairstow and David Warner have failed to perform.

Barring Warner's 400 runs and Bairstow's 304 runs, the next best is World Cup bound Vijay Shankar's 132 runs.

The basic problem has been the middle-order where Manish Pandey (54 in six games), Deepak Hooda (47 in six games) and Yusuf Pathan (32 in six games) have been miserable.

In fact, Pathan has been surviving on past reputation for years now has not played a match-winning knock for a while now.

On the other hand, Dhoni has played various combinations depending on surfaces and more often than not, his teammates have responded pretty well.

Whether it was Harbhajan Singh on a very slow Chepauk track or the restrictive Mitchell Santner in away games, most of Dhoni's strategies have paid off brilliantly.

The man who has been a revelation for CSK this season is 40-year-old Imran Tahir with 13 wickets. The South African import has executed his skipper's plans brilliantly.

For Sunrisers to remain relevant in this edition, they need to stop the CSK juggernaut which looks easier said than done.

Ambati Rayudu plays a shot during third ODI against New Zealand BCCI/File Picture

Rayudu's omission should be debated more than Pant: Gambhir

PTI ■ NEW DELHI

Ambati Rayudu's omission from India's World Cup squad after just three failures is "heartbreaking" but there should be no debate on Rishabh Pant's exclusion as he didn't grab his chances, feels former India opener Gautam Gambhir.

Veteran Dinesh Karthik being favoured over Pant has been roundly criticised. But the hero of the 2007 World T20 and 2011 World Cup final said Rayudu not making the cut is the most unfortunate bit about the squad announced on Monday.

"I think there should be no debate about Rishabh Pant's exclusion but more about Ambati Rayudu," Gambhir said on Tuesday.

"It is very, very unfortunate that someone averaging 48 in white-ball cricket and is only 33 has been left out. That for me is more heartbreaking than any other selection decision," said the outspoken Gambhir.

Rayudu was called India's first-choice No 4 by captain Virat Kohli a few months ago but low scores in the home series against Australia last month led to a rethink by the selectors.

Gambhir was not picked for the 2007 World Cup in the West Indies and for a brief period contemplated quitting.

"I feel sorry for him as I was in a similar position in 2007, when they (erstwhile selectors) didn't pick me and I know how difficult it is not being picked for the World Cup. Ultimately for any young kid, it is a childhood dream to be a part of the big event. So, I feel more sorry for Rayudu more than any other cricketer, who hasn't been picked."

However, Gambhir, who has been Pant's first first-class captain, felt that this omission can't be termed a setback at all as he had not grabbed the opportunities presented before him.

Ordered 3d glasses to watch WC: Rayudu after exclusion

PTI ■ NEW DELHI

Ambati Rayudu has "ordered 3d glasses" to watch the World Cup, a day after he was pipped by the "three-dimensional" Vijay Shankar in the Indian squad for the showpiece.

All-rounder Shankar was preferred over the 33-year-old Rayudu for the contentious number four spot in India's World Cup squad.

"Just Ordered a new set of 3d glasses to watch the world cup," Rayudu wrote on his Twitter handle on Tuesday.

Disappointment knocked on Rayudu's door when his name was left out of the squad just a few months after captain Virat Kohli had more or less earmarked him for the number four position.

"We did give a few more chances to Rayudu but Vijay Shankar gives three dimensions. He can bat, if the conditions are over-cast, he can bowl, plus he is a fielder. We are looking at Vijay Shankar as a No 4," chief selector MSK Prasad said Tuesday, justifying his selection.

"This is not a setback at all. Why is it a setback? He has not consistently been part of white-ball cricket. He got his opportunity but unfortunately couldn't grab it. So it cannot be termed a setback," said Gambhir.

Injury-hit B'desh recall Mosaddek for World Cup

AFP ■ DHAKA

Bangladesh called up batsman Mosaddek Hossain and uncapped fast bowler Abu Jayed for their World Cup squad on Tuesday as they wrestle with a series of injuries.

Mosaddek was named to compensate for fellow batting all-rounder Mahmudullah Riyad, who has suffered a shoulder injury and looks unlikely to be able to bowl, said chief selector Minhajul Abedin.

Jayed also got the nod in the 15-man squad as potential cover for pace spearhead Mustafizur Rahman, who is recovering from an ankle sprain, and Rubel Hossain who has a side strain.

Mosaddek, a useful off-spinner, hasn't played for Bangladesh since last year's Asia Cup, but he forced his way into the reckoning with a series of big scores in domestic cricket.

"We have injury worries over Mahmudullah. Most probably he will not be able to bowl," Minhajul told reporters in Dhaka.

"So we needed someone down the order who could also bowl a few overs. This is why we opted for Mosaddek." Mosaddek played a key role in Bangladesh's win over New Zealand at the 2017 Champions Trophy, when he picked up three vital wickets.

His batting faded until the recent Dhaka Premier League where he scored 428 runs and picked up seven wickets in 12 one-day matches.

Jayed was the only uncapped player in what is an otherwise experienced squad for the tournament in England and Wales, starting on May 30.

Four players have been to three World Cups: skipper Mashrafe Mortaza, Tamim Iqbal, Shakib Al Hasan and Mushfiqur Rahim. Jayed's inclusion meant there was no room for pace bowler Taskin Ahmed, who is also recovering from injury.

"Taskin played his last ODI in October 2017 and it was a long break for him," said Minhajul.

"There are 17 players going to Ireland and if anyone gets injured or if he is fit by that time, we will keep him as a back-up player."

Bangladesh also named a 17-man squad for a tri-series in Ireland in early May, where uncapped spinner Nayeem Hasan and batsman Yasir Ali will join the World Cup players.

The games against Ireland and West Indies will be held from May 5-17. Bangladesh open their World Cup against South Africa at the Oval on June 2.
