Sub: System Improvement in respect of Measurements in Civil Engineering Works.

Ref: Circular No. MCL/Samb/Civil/07-08/1163 dtd. 30.10.07.

In continuation to the circular under reference above, the following system of measurement is to be implemented in MCL till further orders.

a. The Areas in which only one Civil Engineer has been posted [At present : CWS (X), Talcher, CWS (X), Ib-Valley & NSCH, Talcher], the system of "Single level check measurement" shall continue for work value upto Rs.5.00 lakh.

For works having value more than Rs. 5.00 lakh, the 2nd level check measurement will be done by SO(Civil), Bharatpur Area or his authorized representative, SO(Civil), Lakhanpur Area or his authorized representative & SO(Civil), Jagannath Area or his authorized representative for CWS (X), Talcher, CWS (X), Ib-Valley & NSCH, Talcher respectively.

However, if the 2nd level check measurement is to be done by the authorized representative of Staff Officer (Civil), then he should be senior to the Civil Engineer making 1st level check measurement.

b. In case of MCL office, Bhubaneswar, where no Engineer has been posted at present, the SO(Civil), Jagannath Area or his authorized representative will make single level check measurement for work value upto Rs. 5.00 lakh.

However, for works having value more than Rs. 5.00 lakh the 1st level check measurement will be done by representative of SO(Civil), Jagannath Area and the 2nd level check measurement will be done by SO(Civil), Jagannath Area.

Contd... P/2
