

**MCL comes for Infrastructure push at Kaniha School**  
**(06-07-2020)**

Government Pabitra Mohan High School at Kaniha in Angul district will get 8m x 20m size hall under CSR of MCL. The project has been sanctioned for Rs. 42 lakhs. Being nodal centre of Kaniha block, this school is engaged in various curricular and administrative activities. This multipurpose hall will create value addition to the education standards of all nearby schools of Kaniha Block. Named after the eminent freedom fighter Pabitra Mohan Pradhan, the school has 450 students enrolled in it.

MCL operates its 10 million tonne opencast project at Kaniha feeding coal to NTPC Kaniha plant. The Company considers this initiative as a noble cause for the school children of Kaniha and a tribute to late Sri Pabitra Babu, the great son of Odisha.
