

Odisha: MCL To Setup Another 70-Bed COVID Hospital In Jharsuguda (18-07-2020)

Mahanadi Coalfields Limited (MCL), a subsidiary of Coal India Limited, today signed a Memorandum of Understanding (MoU) with Jharsuguda district administration for setting-up a dedicated 70-bed COVID Care Centre at Bandhabahal in western Odisha.

The MoU was signed by Keshav Rao, Director (Personnel), MCL and Saroj Kumar Samal, Collector, Jharsuguda for setting-up of a dedicated COVID Care Centre to provide free-of-cost treatment to the infected people. All the expenses, like treatment, medicine, testing, food and accommodation will be borne by the company as Corporate Social Responsibility

“MCL, a Miniratna-Cat-1 Central Public Sector Enterprise, under Ministry of Coal, is extending all out help to Odisha administration in the fight against Corona virus pandemic. The company is funding 525-bed COVID Hospital at Bhubaneswar while another 150-bed COVID Hospital is functional at Mahanadi Institute of Medical Sciences and Research, Talcher, in Angul district,” the company stated.
