

RATANPUR SCHOOL IN BASUNDHARA COALFIELDS TO WEAR A NEW LOOK
(31-07-2020)

Ratanpur is a small village in Hemgir block within the command area of coal mining operations of Basundhara Area. MCL has undertaken repair maintenance work of school located in the village. Rs 17 lakhs has been sanction from CSR funds. It will create favorable and enabling atmosphere, drop out cases will minimize, and standard of education will improve leading to overall promotion of education.

While reiterating its commitment to the peripheral development in all spheres of life, MCL is grateful to the residents of Ratanpur and all peripheral villages in propagating the principle of mutual cooperation and progress.
