

Sports Kit Distribution in CCDP-Utthan by MCL CSR

CCDP-Utthan is a community development initiative of MCL CSR with BAIF development Research Foundation. BAIF works with the mission of creating opportunities of gainful self-employment for the poor rural families, especially the disadvantaged section and ensuring their sustainable livelihood. Under our support to education and sports we distributed sports kits in the school Basiapada school, hatibari, sambalpur on 5th April, 2023 (Wednesday). This will help to ignite interest of school going children in sports along with their involvement in physical activities. It will keep them healthy and physically fit.

We are looking forward to organise more events like this in future with more frequency and broad area of interventions.
