ମହୋଦୟ,

This is to inform you that your Bid submitted online in response to our E-Tender Notice No.: MCL/ SBP/GM (Washery)/BOM/2018/Hing/02 dtd 23/03/2018 and its Corrigendum dtd. 26.03.2018 & 30.04.2018 for execution of “Setting up of Hingula Coal Washery of 10 Mtpa capacity at Hingula Area, MCL and its Operation and Maintenance for 10 years thereafter on BUILD-OPERATE-MAINTAIN Basis” has been considered and your organization, M/s Jhar Mining Infra Pvt. Ltd. has been identified as the Lowest Bidder for this project with the following Technical & Financial details:

07.02.19

a) Set-up cost:	Rs. 424,42,25,587 (Rupees Four Hundred twenty Four Crore, Forty-two Lakh, Twenty-five Thousand, Five Hundred Eighty-Seven only) [inclusive of Freight Charges (i.e. loading, unloading, inland transportation, packing etc) plus insurance and all the components of statutory taxes, duties and other levies, royalty and building & construction worker cess (as applicable in the states) governed under Indian law] exclusive of GST as applicable, eligible for input tax credit. Set-up cost will be paid in INR as quoted.
b) Operating Cost:	Rs. 142.30 (Rupees One Hundred Forty Two and Paise Thirty Only) inclusive of levies & taxes but exclusive of GST as applicable, eligible for input tax credit, per tonne of raw coal on dry basis for the first year of Commercial Operation and Maintenance as per provision of Bid Document.
c) Salient Guaranteed Operational Parameters:	
i) Raw coal throughput:	10.0 Mtpa (Ten Million Tonnes per annum) of raw coal (as received basis). However, plant should be designed on 10.0 (Ten) Mtpa raw coal (dry basis).
ii) Minimum Guaranteed Yield of Washed Coal committed:	78.5 % (Seventy Eight Point Five) on dry basis with likely Monthly Average Ash% of Raw coal of 42.3% (Forty Two point three) on adb at Monthly Targeted Washed Coal Ash% of 33.5 (Thirty three point five) on adb. This Yield is determined by system, online, based on the Maximum Yield 89.2% (dry) on 38.3% Raw Coal Ash (adb) and Minimum Yield 67.8% (dry) at 46.3 % Raw Coal Ash (adb) as quoted by M/s Jhar Mining Infra Private Limited
iii) Power Consumption:	5.17 (Five point one seven) kWh/ tonne of raw coal on dry basis.
iv) Water Consumption:	0.12 (zero point one two) Cum/ tonne of raw coal on dry basis.

You are requested to get in touch with GM (Washery), MCL for providing all necessary assistance/ support in obtaining environmental & other statutory clearances by MCL as per Cl. No. 1.3.2.5 of Section – 1 of Integrated e-Tender Document (RFQ and RFP) for the subject work. The Letter of Award (LoA) will be issued after receipt of Environmental Clearance, in accordance with the Terms and Conditions of the Bid Document.

M/s JMIPL will have to submit the Project Financial Security (PFS) as per the provision of Bid Document immediately after issue of LoA and before signing of Contract, so

07.02.19

that the Contract may be signed within 30 days from the issue of LoA as stipulated in Bid Document.

This 'Letter of Intimation' as uploaded in e-Procurement portal of CIL, shall be downloaded by M/s JMIPL and the same should be returned to MCL duly signed & stamped by the authorized signatory of M/s Jhar Mining Infra Private Limited as a mark of acceptance within 7 (seven) days from the date of issue of this letter.

सधन्यवाद,

भवदीय,
