Invitation for vendors to register their products in GeM Portal.

Pursuant upon various directives issued by Govt. of India from time to time, MCL is processing its materials requirement through GeM Portal.

However, procurement through GeM is now limited only to the items available in the GeM portal.

In view of the above, interested manufactures / authorized dealers & all other categories of vendors who have not yet registered their products in GeM are requested to register their products for sales through GeM portal.
