

MCL retains the title of No.1 Coal producing company in the country

Mahanadi Coalfields Limited (MCL) has become the first ever company to surpass the magic figure of 200 million tonne (MT), achieving 206 MT coal production in financial year 2023-24, setting a new benchmark in coal sector.

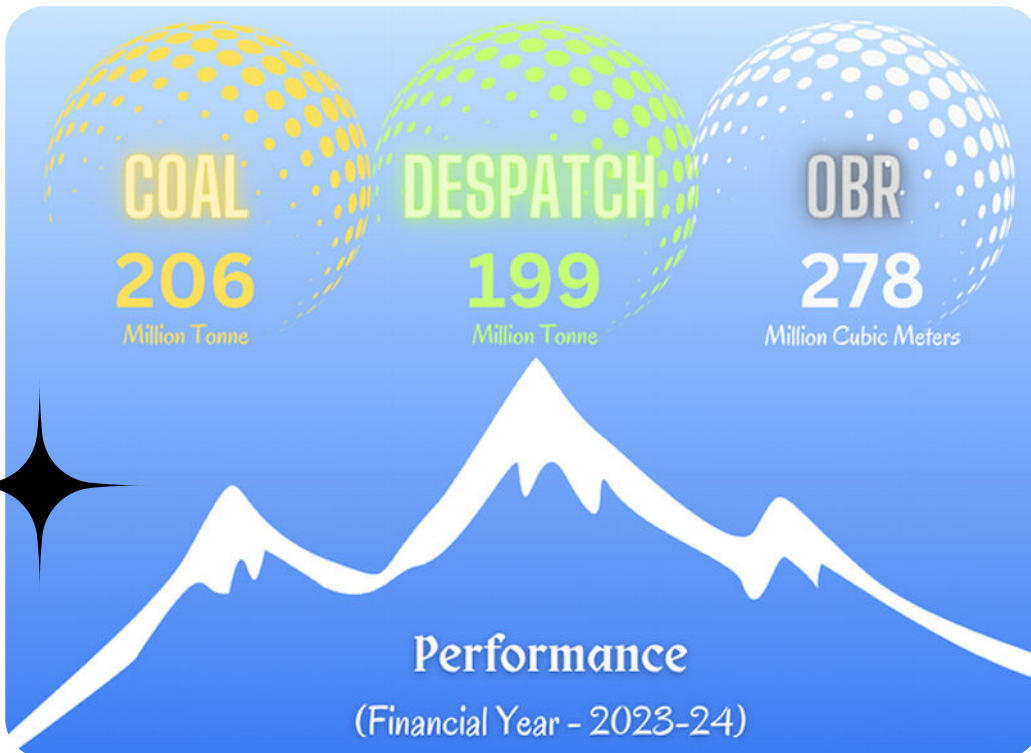

A wave of joy spread across MCL, which has mining operations in Angul, Jharsuguda and Sundergarh districts of Odisha, as the company crossed 200 MT mark. Shri Uday Anant Kaole, Chairman-cum Managing Director, congratulated every member of MCL family and associated agencies, exhorting Team MCL to continue with best efforts to ensure sufficient coal to meet energy requirements of the country.

"It gives me immense pleasure to share the news of this extraordinary milestone of 206 million tonnes in coal production. This is not just a number, but a symbol of our commitment, hard work, and perseverance,"

Shri Uday A Kaole
Chairman-cum-Managing Director, MCL

MCL had earlier crossed 100 MT mark in coal production in the financial year 2009-10, while 150 MT mark was crossed in financial year 2021-22 when company recorded over 168 MT coal production. 200MT has come within 2 years.
